*(Change and Innovation for Value)*

We help client-organizations succeed through impartiality and competence in validation of their Management Systems

## Delivering Results

As a California USA based certification body we service the markets of Asia Pacific. to the protection of consumers. We carry excellent relationship with client-organizations worldwide, as we are consistently striving to add-value to our client-organizations processes. BRS Certifications in Asia Pacific is a highly competent exclusive assessment-audit professionals specializing in the areas of quality, environment, food safety, medical, health, occupational safety & health, security of information and social accountability.

In meeting accreditation requirements our operating management system adheres to ISO/IEC 17020, ISO/IEC 17021, ISO/TS 22003, ISO/IEC 27006 and ISO/IEC 17024.

In addition to ISO 9001 and ISO 13485 certifications, our HACCP Management System | HACCP MS (CODEX and MS 1480, 21 CFR 110, 120, 9 CFR based equivalent nationals) provides client-organization with a specification standard with strict process controls in the pursuit to assure safe products. Equally FSMS ISO 22000 extends HACCP MS for an organizations to address a full management system. To assure that the quality of foods and services is concurrent with best-in-class safe foods expectations, organizations can opt to integrate QMS ISO 9001—ISO 15161 with ISO 22000 and other programs. This provides for one assessment addressing both safe and quality of foods.

Environmental management systems certification provides one of our cornerstones and strength, as we provide ISO 14001 and European EMAS (Environmental Management Audit Scheme) certification.

ISMS provides our basis for certification in Reference to ISO/IEC 27001 as well as Port Security SMS 28000.

OSHMS provides Occupational Health & Safety certifications in accordance with BS OHSAS 18001, ILO-OSH, 29 CFR 1910 and equivalent national regulatory schemes.

Social Accountability certification is based on the principles of SA8000, CSR (Corporate Social Responsibility), and as Guidance applying ISO 26000.

We decided to focus on what we do with competence and impartiality. For this reason we do not intent to certify everything to everybody as we do not pretend to do every single certification scheme. We believe that the certifications we provide reflect our strength. In this way we can protect the integrity of our trademark so our client-organizations can benefit with the finite purpose to protect consumers, we are consumer-centric.
